## Introduction

This guide is developed to help clients and business entities to use the MOCCA digital services. It will include an overview on how to use the portal, then detailed step-by-step instructions on how to use each service: a brief description about the service, what you need to know or to do before using the service, how to input the required information, how to upload documents, and what to expect upon completing the service.

## Overview

The digital services platform 'Go Digital ' single service interface, integrated internally within the Ministry portal and externally with other concerned government entities. It covers all 115 services that MOCCA offers to its customers.

It also features proactive communications, such as reminders, eligibility notifications, and informative messages that automatically anticipate the services customers need without receiving application requests. Moreover, it will include a comprehensive customer database and service history to facilitate service application and delivery.

The portal is very easy to use, and it can be accessed in Arabic or English. It is designed to improve customer experience and enhance customer happiness.

## Getting Started

### Logging in MOCCAЕ Website

First you need to log in to the MOCCAЕ website.

- 1- Open your browser then navigate to MOCCAЕ website <https://www.moccae.gov.ae/>
- 2- Click on the *Login* icon.

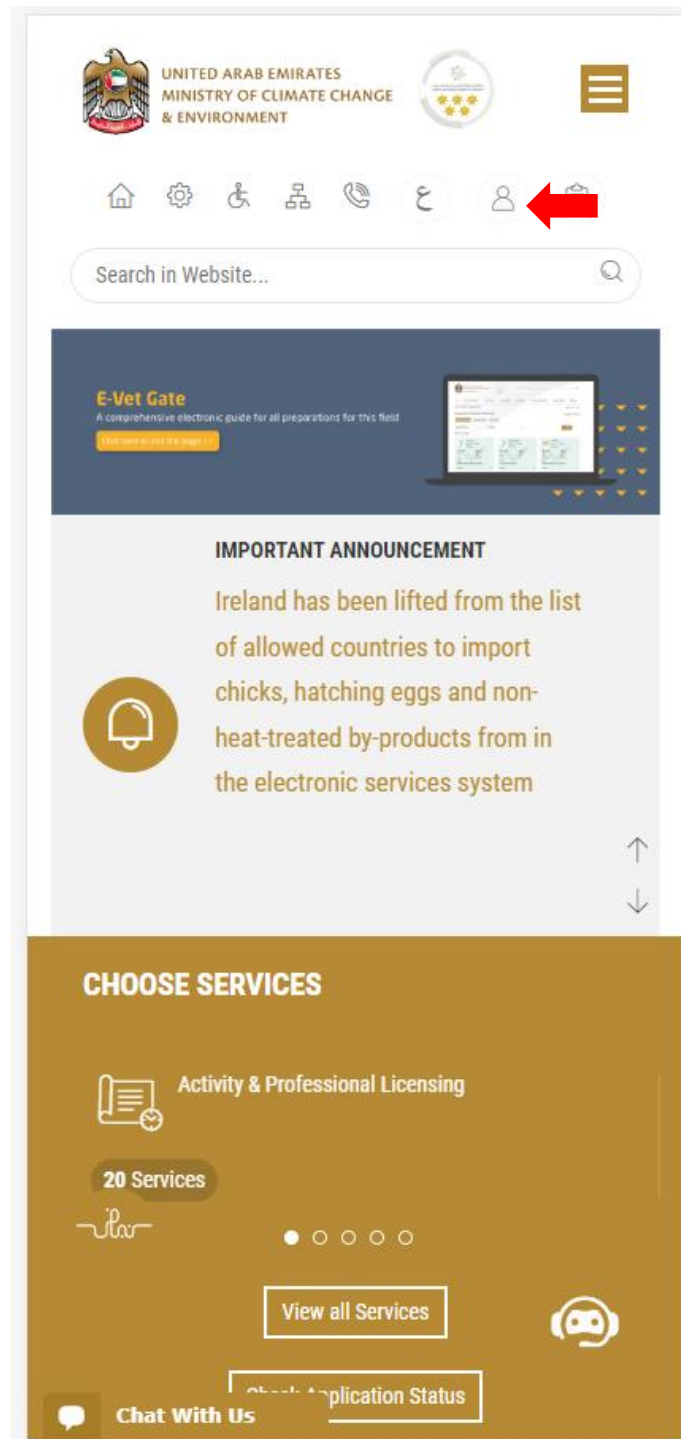

Figure 1 – MOCCAЕ Website Home Page

3- Enter valid company account credentials, then click on *Login*.

Figure 2 - Login Page

4- You will be logged in successfully and directed to MOCCAЕ survey page.

Figure 3 - MOCCAЕ Survey Page

## View/Update Customer Profile

- 1- Click on the top right icon 
- 2- Click on *Edit Profile*.

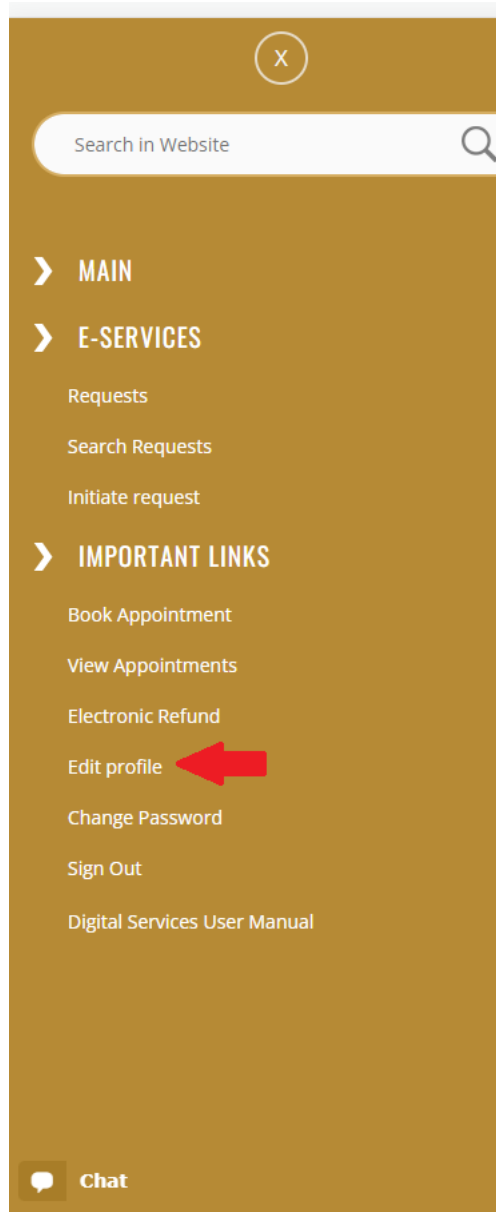

Figure 4 - Update Company Profile

You will be directed to *Edit Profile* view to modify account details.

Figure 5 - Edit Profile

3- You can modify the following details:

- **Online account data** including company email address
- **Organization details** including company name, license and authority details
- **Company Geographical Data** including company location details
- **Communication Data** including primary contact number, email and address details

### Running the 'Go Digital' Services

The digital services platform can be accessed internally from the MOCCA homepage by clicking on the *Go Digital* icon  to the left of the homepage.

Figure 6 - 'Go Digital' Icon

The user dashboard will then be displayed.

Figure 7- My Dashboard

### Changing the Interface Language

The 'Go Digital' is a bilingual platform. It can be displayed in English or Arabic interface.

To switch to the other interface language, click on the language icon on the top right corner of the main screen.

### The User Dashboard

The 'Go Digital' user dashboard displays information related to customer's requests and licenses, allows the user to create a new request and take actions.

The dashboard displays the following buttons:

	To notify the customer about any messages related to his request to take the proper actions
	To inform the customer with any notifications
 My Statistics	To display statistics about the customer's requests
 New Request	To start a new request

Table 1 - Dashboard Buttons

The dashboard also displays information related to customer's licenses, registrations and certificates, and material balances and cites classified into four categories (see below figure). Click the expand arrow on each service card to display more details about the specific service category.

Figure 8 - Dashboard Digital Service Categories

The last section of the dashboard lists all customer's requests along with their current status.

## Using the 'Go Digital' Services

### Digital Services Overview

The 'Go digital' portal provides digital services for customers to complete their required transactions with MOCCAE.

The offered digital services are classified into main categories. Each category includes a number of services.

### Starting a New Request

- 1- To request a new digital service, click on *New Request*  on the dashboard. The following screen will display:

Figure 10 – Service New Request

- 2- Choose the required service either by:
  - Selecting the required service from the dropdown list to display the required service card, or
  - Selecting the service category, then the service subcategory to display all available services catalogue.

Each service card shows the service category and name, as well as the time needed to complete the request.

Figure 11 - Service Card

- 3- Click on *Start* Start to start the new request.

You can click on *Save as Draft* Save as Draft at any view to save all the task information you entered for later viewing or editing.

The following sections will guide you in using the available digital services. Each section will describe the service, list the service terms and conditions, and will guide you to create the service request and what to expect when the service is completed.

### How to Pay for a Digital Service

Once you complete filling in the service request form, in the request review page and after checking in the *I agree to the Terms and Conditions* box, click on *Pay Now* Pay Now. You will be then directed to the payment gateway.

1. Choose your payment method (Card or Bank Transfer) then click *Calculate Prices*.

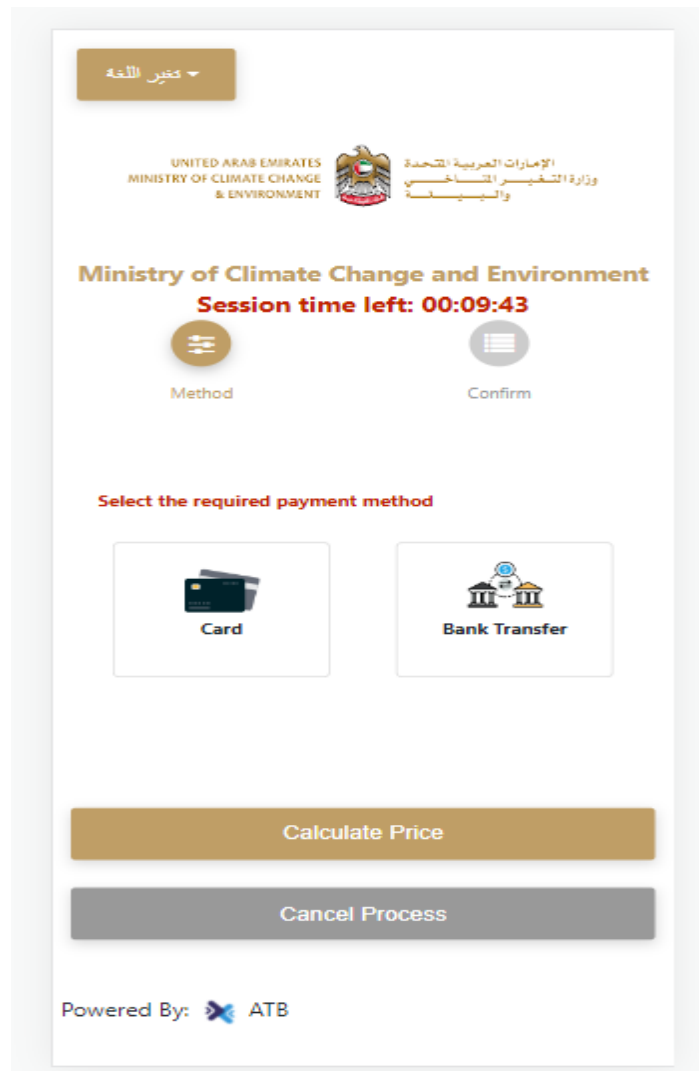

Figure 12 - Payment Gateway

2. The fees details will be calculated and displayed. Click on *Proceed with Payment*.

## Retrieve a Service Request

You can retrieve a previously created request to review the request information only or to take further actions.

- 1- From the dashboard, enter the search by the request number. You can also select the request status to limit the search results.

Or, you can directly locate the request in the list of requests.

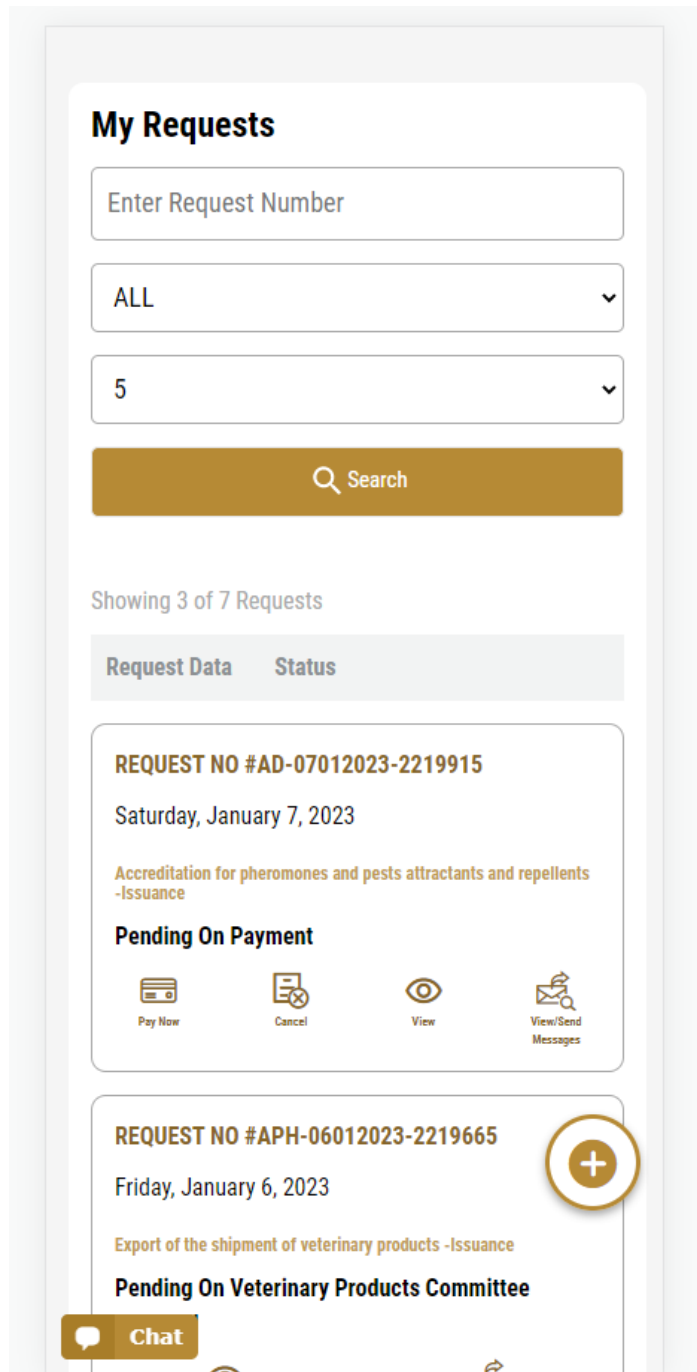

Figure 16 - Select Request to Retrieve

- 2- You can take any of the following actions on the selected request:

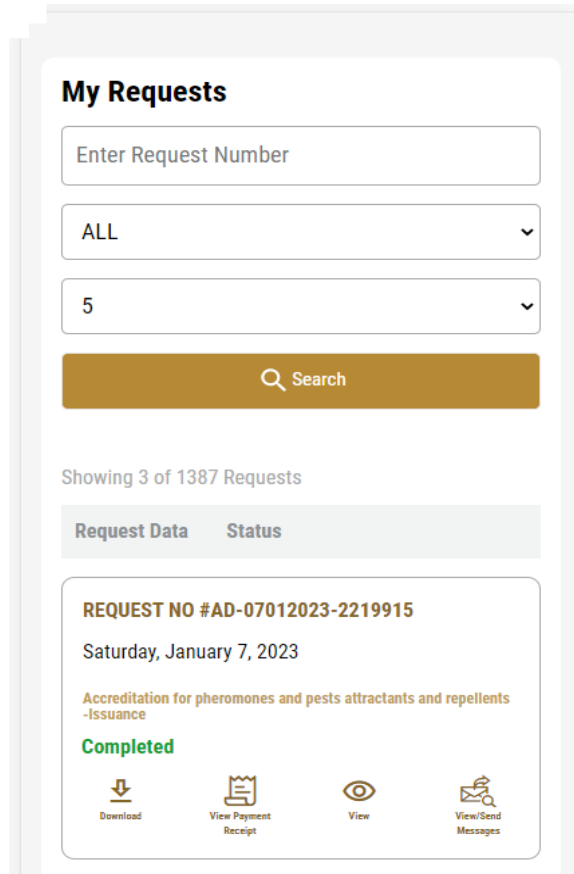

Button	Description
Cancel 	To cancel and delete the request whether it is saved as draft or pending payment
Pay Now 	To pay for a previously created request but you opted to pay the fees at a later time using the Pay Later option
View 	To view request details and make changes if required
View/Send Message 	To communicate directly with MOCCA employee by sending and receiving messages regarding your request
View Payment Receipt 	To view the request payment receipt if it has been already paid

Table 2 – Service Request Actions

### View or Download a Certificate

- 1- Select the service category. The list of available certificates will be displayed.

- 2- Locate the required certificate, then click on  to view and download the certificate, or click on  to view the service request.

## ISSUE EXPORT ACCREDITATION FOR A FOOD ESTABLISHMENT

### Service Description

Through this service, a veterinary health certificate for live animals is obtained after examining them for the purpose of exporting or re-exporting them outside the country, valid for 30 days from the date of issuance

### Service Time

1 Working days

### Terms and Conditions

1. Terms and conditions mentioned in Federal Law No. 6 of 1979 regarding veterinary quarantine

### To apply for a License for ISSUE EXPORT ACCREDITATION FOR A FOOD ESTABLISHMENT

- 1- From the dashboard, click on *New Request*. See *Starting a New Request*.
- 2- Select the Request name from the dropdown list, or alternatively click on the *Export & Import Services* category, select the *Animals & Birds* tab, then select the service card.
- 3- Click on *Start* Start. The Applicant information view will be displayed.
- 4- Add the Applicant Information by:
  - a. Selecting the applicant's name from the list, if available
  - Or
  - b. Click on *Add Applicant* to add the applicant's name using the Emirate ID number, then click on *Find*.
  - c. Select the request purpose.

The applicant's information will be displayed and the request purpose.

The screenshot shows a web form titled "Applicant Information". It features a dropdown menu for "Applicant Name \*". Below the dropdown are two buttons: "Edit Applicant Information" and "New Applicant". At the bottom right of the form area is a "Next" button.

Figure 17 - Select Applicant Name

- 5- If necessary, you can update the applicant’s Mobile Number and Email ID where the applicant will receive all service-related messages.

The screenshot displays a mobile application interface for entering applicant information. At the top, the title "Applicant Information" is shown. Below it is a dropdown menu for "Applicant Name \*". A "Cancel Adding" button is positioned below the name field. The next section contains two radio buttons: "ID" (selected) and "Passport". Below this is a text input field for "ID No. \*" with the value "784-" and a note: "Emirates ID format 784-XXXX-XXXXXXXX-X". A "Verify ID No." button is located below the ID number field. The "Name \*" field is an empty text input. The "Mobile No. \*" field is also empty, with a circular "+" icon to its right and an example number "Example: 00971123456789" below it. At the bottom, there is an "Email" field and a brown button with a chat icon and the text "Electronic chat".

Figure 18 - Applicant's Information Page

- 6- Click Next, then the service details view will be displayed, to Fill the required information

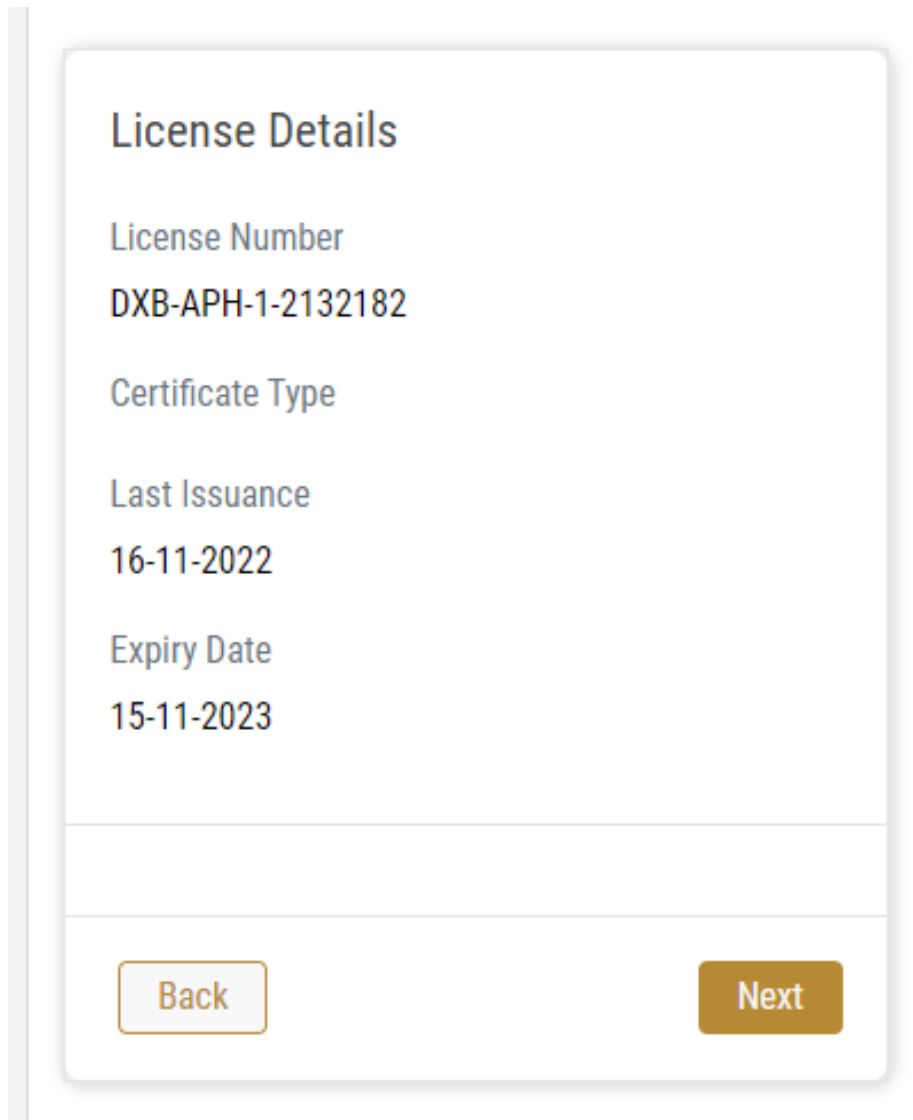

Figure 19 – Service Information

7- Click *Next*, then the Attachments view will be displayed.

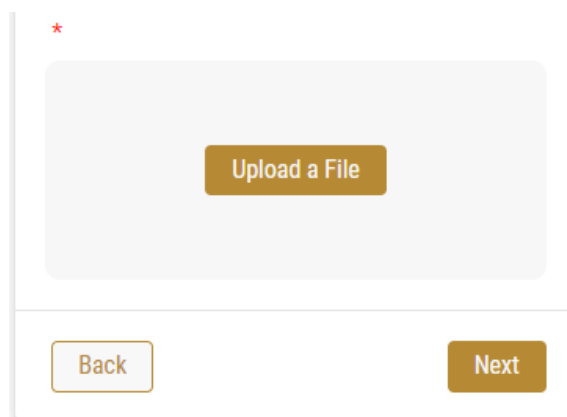

Figure 203 - Attachments Page

8- Upload the following documents to be attached. These documents are mandatory and you cannot proceed before attaching them.

- None

9- Click *Next* to review your request.

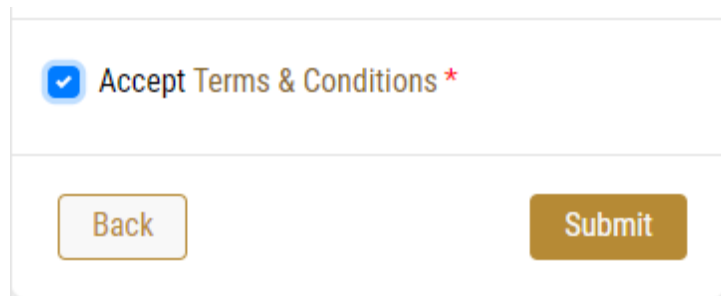

Figure 21 – Service Request Review

10- Check the *I Agree to the Terms and Conditions* box. You can pay for the service immediately or at a later time.

- To pay the service fees later click on *Pay Later* , then your request will be saved in your dashboard waiting for payment to be processed.
- Click on *Pay Now*  to pay for the service immediately. See [How to Pay for a Digital Service](#)

Once the payment is done, the request will be sent to the authorized MOCCA employee for processing. You will be then notified by Email and SMS by the request status. It can either be:

- **Approved:** Request is complete, and license is issued
- **Rejected:** The service is not provided, and you will be notified by the reason
- **Returned:** The request will be returned, and you will be notified with return reason for correction. You still need to resubmit the request for final decision

11- Once your request gets approved, the request status will change to *Completed*. You can

then view or download your certificate.

12- Locate the completed request then click on  to download your certificate, or  to view the request.
