## Introduction

This guide is developed to help clients and business entities to use the MOCCA digital services. It will include an overview on how to use the portal, then detailed step-by-step instructions on how to use each service: a brief description about the service, what you need to know or to do before using the service, how to input the required information, how to upload documents, and what to expect upon completing the service.

## Overview

The digital services platform 'Go Digital ' is a single service interface, integrated internally within the Ministry portal and externally with other concerned government entities.

It also features proactive communications, such as reminders, eligibility notifications, and informative messages that automatically anticipate the services customers need without receiving application requests. Moreover, it will include a comprehensive customer database and service history to facilitate service application and delivery.

The portal is very easy to use, and it can be accessed in Arabic or English. It is designed to improve customer experience and enhance customer happiness.

## Getting Started

### Logging in MOCCAЕ Website

First you need to log in to the MOCCAЕ website.

- 1- Open your browser then navigate to MOCCAЕ website <https://www.moccae.gov.ae/>
- 2- Click on the *Login* icon.

### Changing the Interface Language

The 'Go Digital' is a bilingual platform. It can be displayed in English or Arabic interface.

To switch to the other interface language, click on the language icon on the top right corner of the main screen.

### The User Dashboard

The 'Go Digital' user dashboard displays information related to customer's requests and licenses, allows the user to create a new request and take actions.

The dashboard displays the following buttons:

	To notify the customer about any messages related to his request to take the proper actions
	To inform the customer with any notifications
	To display statistics about the customer's requests
	To start a new request

Table 1 - Dashboard Buttons

The dashboard also displays information related to customer’s licenses, registrations and certificates, and material balances and cites classified into four categories (see below figure). Click the expand arrow on each service card to display more details about the specific service category.

## Using the ‘Go Digital’ Services

### Digital Services Overview

The ‘Go digital’ portal provides digital services for customers to complete their required transactions with MOCCAE.

The offered digital services are classified into main categories. Each category includes a number of services.

### Starting a New Request

- 1- To request a new digital service, click on *New Request*  on the dashboard. The following screen will display:

Figure 10 – Service New Request

- 2- Choose the required service either by:
  - Selecting the required service from the dropdown list to display the required service card, or
  - Selecting the service category, then the service subcategory to display all available services catalogue.

Each service card shows the service category and name, as well as the time needed to complete the request.

Figure 11 - Service Card

3- Click on *Start* **Start** to start the new request.

You can click on *Save as Draft* **Save as Draft** at any view to save all the task information you entered for later viewing or editing.

The following sections will guide you in using the available digital services. Each section will describe the service, list the service terms and conditions, and will guide you to create the service request and what to expect when the service is completed.

### How to Pay for a Digital Service

Once you complete filling in the service request form, in the request review page and after checking in the *I agree to the Terms and Conditions* box, click on *Pay Now* **Pay Now**. You will be then directed to the payment gateway.

1- Choose your payment method (Card or Bank Transfer) then click *Calculate Prices*.
