Introduction

This guide is developed to help clients and business entities to use the MOCCA digital services. It will include an overview on how to use the portal, then detailed step-by-step instructions on how to use each service: a brief description about the service, what you need to know or to do before using the service, how to input the required information, how to upload documents, and what to expect upon completing the service.

Overview

The digital services platform 'Go Digital ' single service interface, integrated internally within the Ministry portal and externally with other concerned government entities.

It also features proactive communications, such as reminders, eligibility notifications, and informative messages that automatically anticipate the services customers need without receiving application requests. Moreover, it will include a comprehensive customer database and service history to facilitate service application and delivery.

The portal is very easy to use, and it can be accessed in Arabic or English. It is designed to improve customer experience and enhance customer happiness.

Changing the Interface Language

The 'Go Digital' is a bilingual platform. It can be displayed in English or Arabic interface.

To switch to the other interface language, click on the language icon on the top right corner of the main screen.

The User Dashboard

The 'Go Digital' user dashboard displays information related to customer's requests and licenses, allows the user to create a new request and take actions.

The dashboard displays the following buttons:

	To notify the customer about any messages related to his request to take the proper actions
	To inform the customer with any notifications
My Statistics	To display statistics about the customer's requests
New Request	To start a new request

Table 1 - Dashboard Buttons

The dashboard also displays information related to customer's licenses, registrations and certificates, and material balances and cites classified into four categories (see below figure). Click the expand arrow on each service card to display more details about the specific service category.

Figure 8 - Dashboard Digital Service Categories

The last section of the dashboard lists all customer's requests along with their current status.

The screenshot shows the 'My Dashboard' with four summary cards: 'My Licenses For Practicing Activities' (0 Active, 3 Expired), 'My Licenses For Practicing Professional' (4 Active, 0 Expired), 'Registration and Approved certificates' (110 Active, 46 Expired), and 'Material Balances & Cities' (2 Material, 2 Cities). Below these is the 'My Requests' section, which includes a search bar, a filter dropdown set to 'ALL', and a page indicator '5'. A table shows a request with ID 'AD-02062023-479903' for 'Registration of fertilizers and agricultural conditioners -Issuance' with a status of 'Finished'.
